*"The aim of education is the knowledge,  
not of facts, but of values.-  
William Burroughs*

*Education is the most powerful weapon  
which you can use to change the world. -  
Nelson Mandela*

# TEACHERS' TALES

Right from my student days at Babpuji Balanikethan of Loka Seva Vrinda I was recognized by my elders as a leader. I loved company of Children just as little children did mine. Naturally, I had dreamt of being a teacher so that I will have the opportunity to spend my days happily with them. The living examples of my elders instilled in me the values of life I live today and lovingly enable the children to learn. Inspired by the idealism of my elders I too decided to dedicate my life for the cause of transformation through education.

My studies at the institutions of Loka Seva Group laid firm foundation for the mansion of my life. That enabled me to enter the portals of SSS institute of Higher Learning and later to join the Loka Seva Group of institutions for my career as a teacher.

From teacher to Deputy warden of High school hostel to lecturer in junior college to Deputy Warden of Junior College hostel to Vice Principal to Principal to Chairman of SSS Karunyaniketanam, the new campus in Tumkur District of Karnataka in India, I could grow due to affectionate company of admiring children, guidance of inspiring elders and the inner motivations from my Guru who guides, guards and chides too when it is necessary for my onward march and forward journey in this noble profession of Man-making education. It is heartening to note that many of my students have evolved into shining examples of selfless service to society, some as part of the Loka Seva Group itself and others supporting its cause from outside. This sense of fulfilment motivates me to go on happily with my duties as the Chairman of this campus.

## Hands that serve..

Students preparing sweets to be distributed in nearby villages as a service project

This values based education system lays ample emphasis on social service, especially in rural areas. Students, teachers, and staff would go to the neighboring villages and distribute food and clothes as gifts to the villagers.

## Lips that pray...

Students and staff singing multi-faith devotional songs for 24 hours in ten batches for Global Peace!

# Who Are We?

## SSS Harunyaniketanam (Boys) School, Tumkur

## Doddaballapura School for Girls

## Our Story

'Education For All' is a rural outreach program to provide quality education free of charge to children from all walks of life irrespective of cast, creed, religion or any other background. At present we have tied up with Prashanthi Bala Mandir Trust ([www.pbmt.org](http://www.pbmt.org)) to provide support in sponsoring children and help in construction and maintenance of Schools. Currently we are helping in the construction and maintenance of two schools, the Doddaballapur campus for girls and the Tumkur campus for boys both near Bengaluru in Karnataka state in India. We are also supporting the education and residential costs of those students studying in these schools.

## Status of the Tumkur School (Boys)

- **Plan:** The school will be spread over 40 Acres of land with total built up area of about 120,000 Sq Ft
- **Land Purchased:** October 2017
- **Construction started:** March 2018
- **Temporary structure inauguration:** June 2018
- **First batch admitted:** June 2018
- **Second batch admitted:** June 2019
- **Under construction:** Hostel building and class rooms

## Unique Features of this school

---

- **Free Education** for all students. Currently, this campus has a total strength of 102 students studying in 6th and 7th grades (Kannada medium and English medium)
- **Residential School:** Hostel fees are exempted for financially challenged parents. Most of the children enrolled in the school hail from under-privileged sections of India.
- **Each one educate one:** Self-sustaining model of quality education through support and involvement of alumni, local communities, and society.
- **Highly-nourishing food** and well-designed dormitory facilities. Digital education, environmental education, sports, community service projects and personal spiritual development
- All campuses are designed to be “**Green**” with a focus on using solar energy-based power supply, water conservation, tree planting and similar environmental initiatives.
- **The 3H formula:** Empowering the Head, heart, and hands. Holistic education that nurtures a child’s physical, intellectual, emotional, and spiritual well being.
- A **harmonious atmosphere** where children celebrate diversity of faiths, and develop mutual respect and love through community service and self reliance activities.

## Status of the Doddaballapura School (Girls)

---

At present we are in the process of acquiring 30 Acres of land. Once the land has been identified, then the first phase of the construction will begin. The school when fully built will have classes from 6th grade to 12th.
